Who are we and what do we do?

St. Helens Senior Voice Forum is an organisation, which was established to raise the voice and profile of the 50+ age group living in the borough of St. Helens. The Forum’s vision is to promote improved quality of life by empowering older people and their carers to undertake campaigns in order to influence decision makers.

St Helens Senior Voice are recognized and valued for their opinions and experiences concerning health, transport, housing and safety. The Senior Voice Forum gives people the platform to work in partnership with public and private sector in order to secure funding and services, which enhance their lives. Ideas have ranged from developing services for the community, educating against age discrimination to ensuring support for more vulnerable citizens.
